17 responses

On a scale from 1 to 5 how do you rate the following?

Please select the appropriate answer for the following statements

Rate the quality of the

The best part of this mobility was:

17 responses

Pamukkale

Hospitality

Kahoot game

our being together

Meeting Erdals family

The best part was learning about environment and see cool things

Visiting the Amazing places in turkey and eating GREAT food.

The hospitality

Change opinions all participants

The Mountains with the water

Wednesday, 29.10

Agenda and turkish partner

getting to know people

acquire new knowledge

Getting to know people

The worst part of the mobility was

17 responses

Bumpy roads

Nothing

no bazar

pollution of the environment

School toilet

Bit bad communication between the students

The ground toilets

More time to share

The Communication

Everything was very nice.

A little bit long the school

No Bazar

comunication was really hard

walk a lot

Communication was hard

What are unexpected benefits or positive aspects of taking part in this mobility?

17 responses

New cultural income

Culture

I dont know

to work together as a business or to learn information

School toilet

I din't expect how to live like a turkie

Meeting a lot of families and friends

Getting to know another culture

Know more about countfies

Learnd mich about the Culture

How friendly everybody is.

Students

Learning a lot about the roman times in Turkey! Exiting!

That the Family was so Sweet and nice

i didn't expect the toilets in the ground

having fun and socializing with other people

Ground toilets

How do you think that this mobility could be improved?

17 responses

Beach

Better english skills of the turkish students

Everything was fine

Public transport

we should consume less energy

Maybe if we learned a bit more about the environment and I really liked to vist all the place that we did

More beach

If the Turkish students could speak English better

More days and more countries

Better Communications

It brings connections between the countries

Nothing

Maybe a little better english from the students so we can communicate easier

I dont know

maybe if the communication were better

organizing different activities

Other remarks you have

17 responses

Nothing

No

Nothing

-

It was a perfect week with excellent weather

I don't see a different opinion

Maybe a beach trip would be fine

More beach.

None

A great opportunity to know cultures

Not good enough in English

It was a nice trip and I enjoy it

beach

No

## Recommendation for the future mobilities?

17 responses

No

-

.

we should consume less energy

Look at local industries

Just think to just live your life, don't stress and worry and enjoy

More beach.

None

More days

More time management

More Recycling

Repeat

Nothing

some more english knowledge

More beach

A final remark for the coordinator of the host school, please

17 responses

More beach

-

.

very good

We are all together and having fun in this process.

Beach

No , I really enjoy the coordinator, but maybe all was a bit late and we were just sitting around for a long time

Thank you

Thanks great job

I think the Student Need to be better in Englisch and the time Management wasnt that good

Very friendly and a good programm

Perfect

Thanku for a nice trip!

Everything was Perfect

we would have loved going to the beach

Thank youuu

Describe in a sentence the general idea that you will bring with you, going back to your school.

17 responses

Happy students

New culture

Waste Recycling

It was great to participate in this project.

WE NEED TO TAKE CARE OF THE ENVIROMENT!!!!!!!!!!!!!!

The trip, however it was to live like a turkie student, the food all the nice trips, music and most general was how to meet and talk to new people

how lucky I am for living in Norway.

Understanding other cultures is a very important part in teaching our students

Experiences unforgetables

That it was a nice exporience and that I enjoed to be in the Family

More waste mangement

All is perfect

Making terrariums and making booklets og canva

i dont know 🙄

how privileged i am as a norwegian

We must continue this project

How lucky I am to get to experience this
